Dear Mrs. Henderson, -

Yours regarding
Miss Shan just-received.

I cannot tell you positively
just yet - whether she can
come to Jamestown at the
time you suggest or not.
Can let you know as soon
as I hear from one or two parties
with whom dates are pending.
She would have to make a
special trip to Jamestown -
from Philadelphia - making it

so expensive for her. If your
club could pay her R. R. fare
one way besides her fee \$20 - I
think she could come without it
actually costing her out of
pocket. What think you?
Or could you ^{make} ~~get~~ her another
engagement in your vicinity -
I am very anxious that she
should attend the January
meeting with for your sakes
and hers. She will probably
spend the month of January
in New York and I so wish
that she may get better acquaint-
ed with you. Please let me
hear as soon as possible
whether your club would
