Boston.

I cannot send the ignorant Steyeman to the right
place so perhaps

Can Miss Peabody send the inclosed
letter to Miss Fuller before she dis-
misses her class tomorrow morning?

- So, at present advised, I incline not
to say anything in this Dial concerning
discontinuance. We can continue it,
if we like, after more consultation
as there appear to be many opinions.

If a paper ^{ms} comes to you from N. Y. for
me please let it come by stage, as I
wait for it. R. W. R.
