

Personal

House of Representatives,

Washington, D. C., 2 Feby, 1884.

My dear Madame:

I do not see any way in which we can be successful in renewing the Special Committee vote. It will only result in worse defeat; for people will be impatient at another attempt to take up their time. If there were any chances to record of such a number as would give any hope of success I would ask permission again of the Com. on Rules; but I can't ask again what I should be obliged to admit was the privilege of being beaten again.

Very Truly

Miss Susan B. Anthony —
