Mrs. *Martha Henderson*

Your name is on the list of Vice-Presidents of the N. Y. State Suffrage Association for *Chautauque* County, and it is necessary that an effort be made toward organizing your County.

Please inform us regarding the state of public sentiment in your County, number of Suffrage Societies, if any, where located, etc.

You are earnestly requested to communicate with the various Towns of your County, and seek to awaken an interest in the suffrage cause by securing space in one or more local papers and see that it is supplied with suffrage items and news of interest.

See that literature is distributed. It can be purchased in leaflets at 15 cents per 100, by addressing C. Wilde, 3 Park Street, Boston, Mass.

Try and get in communication with one or more suffragists in each town, so that helpers may be found when the work of organization begins.

If there is any possible chance of success, call a mass convention at the most convenient point in your County, and organize a COUNTY SOCIETY, of which you would be president, elect other officers and a County organizer to form local societies auxiliary to your County society, that to be auxiliary to the State Association.

Local, County and State Constitutions will be sent gratuitously, on application to the Chairman of the State Executive Committee, and any information cheerfully given relative to mode of procedure.

If the State Organizer's services are required, communicate with Mary Seymour Howell, 154 Hamilton Street, Albany.

~~*Central Traffic*~~

DEAR SIR:

Through the courtesy of the ~~Southern~~ Passenger Association, persons attending the

to be held at

commencing

will be granted a reduction in their return railroad fare only, under the following conditions:

FIRST. Each person must purchase a first-class ticket (either unlimited or limited) THROUGH TO THE PLACE OF MEETING for which he will pay the regular tariff fare, and upon request the ticket agent will issue to him a certificate of such purchase (Form 2.)

SECOND. If through tickets cannot be procured at the starting point the person will purchase to the most convenient point where such through ticket can be obtained, and there repurchase THROUGH TO THE PLACE OF MEETING, requesting a certificate properly filled out by the agent at the point where the repurchase is made.

THIRD. The reduced rate for the return journey will only apply TO POINTS TO WHICH THROUGH TICKETS ARE ON SALE AT THE PLACE OF MEETING, AND AT WHICH THROUGH TICKETS TO THE PLACE OF MEETING WERE PURCHASED. If through tickets to the starting point can not be procured at the place of meeting, the person will purchase to the most convenient point to which such through ticket can be obtained.

FOURTH. Tickets for the return journey will be sold by the ticket agents at the place of meeting, at one-third the highest limited fare, only to those holding certificates (Form 2), signed by the ticket agent at the point where the through ticket to the place of meeting was purchased and countersigned by the secretary or clerk of the convention, certifying that the holder has been in attendance upon the convention.

FIFTH. It is absolutely necessary that a certificate be procured, as it indicates that the full fare has been paid for the going journey, and that the person is therefore entitled to the excursion fare returning. It will also determine the route via which the ticket for return journey should be sold, and WITHOUT IT NO REDUCTION WILL BE MADE.

SIXTH. Tickets for return journey will be available for continuous passage only; no stop over privileges being allowed on tickets sold at less than full fares. Certificates will not be honored unless presented within THREE DAYS after the date of adjournment of the convention

SEVENTH. Ticket agents will be instructed that excursion fares will not be available unless the holders of certificates are properly identified, as above described, by the secretary or clerk, on the certificate, which identification includes the statement that one hundred or more persons, who have purchased full fare tickets for the going passage, and hold properly receipted certificates, have been in attendance at the meeting.

The certificates are not transferable, and the signature affixed at the starting point, compared with the signature to the receipt, will enable the ticket agent to detect any attempted transfer.

N. B. Please read carefully the above instructions, be particular to have the certificates properly filled and certified by the railroad agent from whom you purchase your going ticket to the place of meeting, as the reduction on return will apply only to the point at which such through ticket was purchased.

Yours truly,

Secretary or Clerk
